## Recorded Wildlife at Taricaya

### Herpetology fauna in the Reserva Ecologica Taricaya

#### CLASE AMPHIBIA

#### ORDEN ANURA (Frogs and Toads)

##### 1. Familia Aromobatidae

<i>Allobates trilineatus</i>	Three-striped Rocket Frog
------------------------------	---------------------------

##### 2. Familia Bufonidae (True Toads)

<i>Rhinella marina</i>	Cane toad
<i>Rhinella margaritifera</i> complex	Crested toad
<i>Rhaebo guttatus</i>	Peruvian smooth-sided Toad

##### 3. Familia Ceratophryidae (Common Horned frogs)

<i>Ceratophrys cornuta</i>	Amazonian horned frog
----------------------------	-----------------------

##### 4. Familia Hylidae (Treefrogs)

<i>Dendropsophus cf joannae</i>	
<i>Denropsophus koeklini</i>	Cinnamon tree frog, Koechlin's tree frog
<i>Dendropsophus leucophyllatus</i>	Clown tree frog
<i>Dendropsophus marmoratus</i>	Neotropical marbled tree frog
<i>Dendropsophus parviceps</i>	Sarayacu tree frog
<i>Dendropsophus schubarti</i>	Schubart's Rondonia tree frog
<i>Dendropsophus rhodopeplus</i>	Red striped tree frog
<i>Dendropsophus triangulum</i>	Variable clown tree frog
<i>Hypsiboas boans</i>	Gladiator tree frog

<i>Hypsiboas calcaratus</i>	Convict tree frog
<i>Hypsiboas cinerascens</i>	Rough-skinned green tree frog
<i>Hypsiboas fasciatus</i>	Gunther's Banded tree frog
<i>Hypsiboas punctatus</i>	Common polka-dot tree frog
<i>Phyllomedusa bicolor</i>	Giant monkey frog
<i>Phyllomedusa camba</i>	
<i>Phyllomedusa palliata</i>	Jaguar Leaf Frog
<i>Phyllomedusa vaillanti</i>	White-lined monkey frog
<i>Pseudis paradoxa</i>	Paradox frog
<i>Scarthyla goinorum</i>	Slender tree frog
<i>Scinax cf. cruentommus</i>	Manaus Snouted tree frog
<i>Scinax chiquitanus</i>	Rio Negro Snouted tree frog
<i>Scinax garbei</i>	Fringe-lipped tree frog
<i>Scinax pedromedinae</i>	Henle's Snouted tree frog
<i>Scinax ictericus</i>	
<i>Scinax ruber</i>	Two-striped tree frog
<i>Sphaenorhynchus lacteus</i>	Orinoco Lime tree frog
<i>Trachycephalus coriaceus</i>	Surinam Golden-eyed tree frog
<i>Trachycephalus venulosus</i>	Common milk tree frog

## 5. Familia Leptodactylidae (Tropical frogs, Nesting-building frogs)

<i>Eladorhina perezii</i>	Eyelash forest frog
<i>Leptodactylus cf. andreae</i>	Chirping frog
<i>Leptodactylus cf. hylaedactylus</i>	Chirping frog
<i>Leptodactylus bolivianus</i>	Bolivian White-lipped Frog
<i>Leptodactylus didymus</i>	
<i>Leptodactylus knudseni</i>	Knudsen's thin-toed frog
<i>Leptodactylus lineatus</i>	Gold-striped Frog
<i>Leptodactylus pentadactylus</i>	Smoky jungle frog

*Leptodactylus petersii*

Peter's jungle frog

#### 6. Familia Microhylidae (Narrow-Mouthed toad frog)

*Altigios alius*

Peruvian sheep frog

*Chiasmocleis ventrimaculata*

Dotted humming frog

*Ctenophryne geayi*

Brown egg frog

*Elachistocleis ovalis*

Oval frog

*Hamptophryne boliviana*

Bolivian bleating frog

#### 7. Familia Pipidae (Suriname toads)

*Pipa pipa*

Suriname water toad

#### 8. Familia Strabomantidae (Rain frogs)

*Pristimantis fenestratus*

Rio Mamore robber frog

*Pristimantis peruvianus*

Peruvian rain frog
